

Dear Customer,

Aquafil S.p.A. hereby declares that its products are in compliance with the requirements of the European Regulation n° 1907/2006 (REACH) and n° 1272/2008 (CLP) according to their deadlines and procedures.

Aquafil S.p.A. has provided to:

- register the substances of its own pertinence within the deadlines and according to the procedures established by the Regulations. In particular, from 1th June 2018 we guarantee that our substances, produced and/or imported in the European Union above 1 tonne per year, are effectively registered;
- promote in role of downstream user of substances and / or mixtures the knowledge of REACH Regulation at our suppliers, assessing that they also have satisfied the obligations under the REACH Regulation and implemented the related controls;
- comply with the restrictions imposed on the substances included in Annex XVII of the REACH Regulation and available at the following link on the ECHA website (<https://echa.europa.eu/it/substances-restricted-under-reach>).

We inform you that Aquafil S.p.A. doesn't use substances in Authorization listed in Annex XIV of the REACH Regulation and available at the following link on the ECHA website: <https://echa.europa.eu/it/authorisation-list>.

According to our current knowledge and information received from our suppliers, we inform you that the products supplied by Aquafil S.p.A. don't contain any S.V.H.C. substance included in the Candidate List above the 0.1% w/w limit.

The Candidate list is periodically updated by ECHA and can be viewed at the following link: <https://echa.europa.eu/it/candidate-list-table>.

If any substance inside our products would be included in the Candidate list published by ECHA (in quantities above 0.1% w/w), you will be promptly notified as required by the REACH Regulations.

Yours sincerely

AQUAFIL REACH TEAM
